**WAIVER OF NEGLIGENCE & COMPLETE RELEASE OF LIABILITY and RELEASE PHOTO AND VIDEO**

I wish to participate in the Kidney March which I understand to include a three-day, non-competitive pledge walk as well as other related events. I understand that by participating in the Kidney March I may be using public streets and facilities where hazards exist, and I am aware of and appreciate the risks which may result. I am voluntarily participating in this event with knowledge of the dangers involved and I agree to accept any and all risks of injury or death.

I agree to assume all risks and to release and hold harmless The Kidney Foundation of Canada, the City of Calgary, the Alberta Department of Transportation, their affiliated organizations, designated beneficiaries, sponsors, officials, participating clubs, communities, organizations, friends of the Kidney March and all other government or public entities (and all of their respective officers, directors, agents, employees and members) who, through negligence, carelessness or any other cause, might otherwise be liable to me.

I intend by this Waiver and Release to release, in advance, and to waive my rights and discharge all of the persons and entities mentioned above, from any and all claims for damages for death, personal injury or property damage which I may have, or which may hereafter accrue to me, as a result of my participation in the Kidney March, even though that liability may arise from negligence or carelessness on the part of the persons or entities being released, from dangerous or defective property or equipment owned, maintained or controlled by them or because of their possible liability without fault. I understand and agree that this Waiver and Release is binding on my heirs, assigns and legal representatives.

I hereby give permission to Kidney March Medical Volunteers to provide emergency and routine first aid, and seek emergency medical treatment including, without limitation, ordering tests or any other procedure recommended by any physician or medical provider. I agree to the release of any records necessary for insurance/medical purposes. I hereby give permission to Kidney March Medical Volunteers to arrange any necessary related transportation for me in the event of an emergency. I am aware that either myself or my health insurance provider will be responsible for the cost of emergency medical transportation as required. In the event of an emergency, I hereby give permission to all physicians, related medical providers and any health care facility to secure and administer treatment, including hospitalization, for the participant.

I am physically capable of participating in the Kidney March. If I am aware of or under treatment for any physical infirmity, ailment or illness, my medical care provider knows of and has approved my participation in the Kidney March. I acknowledge that I, and I alone, am solely responsible for my personal health and safety, and the personal property I bring with me. I will read the Kidney March description and rules for participation in the Kidney March and I will abide by all rules and regulations established by the Kidney March organizers and personnel as well as the Alberta Vehicle Code. I agree that my participation in the Event is subject to the sole discretion of the organizers of the Event, and that my participation may be limited or terminated, with or without cause.

I further understand that my registration fee is non-refundable, non-transferable, does not apply toward my fundraising commitment, and is not tax deductible.

If I am a Marcher, I understand that I must raise at least \$2,200 in order to participate in the Event. I understand that all donations processed by the Kidney March donation office are non-refundable and non-transferable, even if I do not participate in the Event.

The Kidney Foundation of Canada will be photographing and videotaping the Kidney March and related Kidney March activities and events. I understand that my name, photograph, voice or likeness may be used by the Kidney March and The Kidney Foundation of Canada, and their licensees, affiliates and employees. I consent to and authorize, in advance, such use and waive my rights of privacy I have in connection therewith. Kidney March participants will also be photographing and videotaping the Kidney March and related Kidney March activities and events. I understand that I may be photographed or videotaped during my participation in these events and activities. I hereby grant The Kidney Foundation of Canada permission to use my likeness, name, voice, or images in any and all publications including web sites, without compensation or any other consideration or restriction, in perpetuity.

I have carefully read this Waiver and Release and fully understand its contents. I certify that I am at least 16 years of age at time of the event. I am aware that this is a RELEASE OF LIABILITY and a contract between me and the persons and entities mentioned above, and all of their respective officers, directors, employees, agents and representatives and I sign it of my own free will. In addition, I am aware that I will be asked to confirm my understanding of this agreement on the day prior to the Kidney March by signing another copy of this waiver, and the failure to do so will disqualify me from participating in the event without entitling me to any refund.
